SUMMER BREAK CIRCULAR

Dear Students,

The school will remain closed for the summer vacation from 19 May 2025 to 1 July 2025. Summer is a perfect time to unwind, recharge, and spend quality time with your loved ones. While we hope you enjoy a well-deserved break, we also encourage you to use this time creatively and constructively. To help you make your holidays both enjoyable and meaningful, here are some suggested activities:

1. Reading & Comprehension

Read storybooks, newspapers, or magazines to build vocabulary and enhance your comprehension. Create a personal dictionary by noting down new words and their meanings. Try writing short summaries of chapters or book reviews to develop your writing skills.

2. Cinema for Learning

Watch educational or inspirational movies and documentaries. Jot down key takeaways and try to connect them with real-life situations or classroom lessons.

3. Academic Review

Revise topics covered so far to reinforce your understanding. Start preparing for your upcoming half-yearly syllabus. Complete all pending assignments and make sure you understand important definitions and concepts.

4. Project Work

Work on your art-integrated projects as per CBSE and school guidelines. Be creative and original. While online resources can guide you, avoid directly copying content.

5. Skill Building & Reflection

Explore a new hobby or skill like drawing, cooking, swimming, coding, or calligraphy. Maintain a holiday journal to record your daily experiences and learning. It will be fun to look back on!

Important Note

All assignments and project work must be completed and submitted by the specified deadline. Be prepared to present or discuss your work once school reopens. Wishing you a joyful, safe, and enriching summer vacation!

Make the most of it — learn, create, explore, and return refreshed!
